

Certificate of constancy of performance

No. 0672-CPR-0488

In compliance with *Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the

Construction Product(s) **Elastomeric Bearing**
with trade name
mageba Elastomeric Bearing type LASTO®

placed on the market
under the name or trade
mark of **mageba Holding AG**
Solistraße 68
CH-8180 Bülach
Switzerland

produced in the
manufacturing plant(s) **WMT Hnúšt'a s.r.o**
Hlavná 942,
98101 Hnúšt'a, Slowakei

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in

Annex ZA
of the standard(s) **EN 1337-3:2005**

under system **1**

for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on **2018-11-06** and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

This document has been translated for informative purpose only. Original version is issued in German. In any case of doubt the German version is valid.

Annex 1

to the certificate of constancy of performance No. 0672-CPR-0488

Main performances for the construction product

Elastomeric Bearing

with trade name

mageba Elastomeric Bearing type LASTO®

steel laminated elastomeric bearing with CR compound no. 4526 or NR compound No. 2526, optionally NR bearing with CR cover, types A, B, C, E and F (EN 1337-3) for use in bearing types 1.1 to 1.8 (EN 1337-1), for effective bearing temperatures of -40 °C to +50 °C respectively -35 °C to +48 °C for sliding bearings, for use in building and civil engineering works where requirements on individual bearings are critical.

This Annex is only valid together with the certificate of constancy of performance 0672 - CPR – 0488.
